

## Help Me

*A song by Dat Stern*

### Song lyrics

---

Where do I start?  
You always pull me apart  
Like a piece of paper  
Why's it so hard to love your neighbor?  
You must be a god  
You think you know me so well  
But guess what? You're a fraud  
I stood up, but I fell  
Because you pushed me down  
Not with your hands, but your words  
You always comin' at me  
Got me feelin' like I'm cursed  
You're slowly killin' me inside  
Don't know what could be worse  
If its payback  
I don't reimburse  
So why do you do this?  
I mean what do you have to gain?  
You tell me I should be ashamed  
Thinking all of this would bring you friends or fame  
Always talkin' 'bout me  
Cursin' out my name.

I can't stand the pain that I feel Inside  
I feel like dying oh  
I try to seek help from the world outside  
But it's terrifying.  
People always laugh at me  
Saying that I'm so ugly  
That nobody will love me  
Why won't they just leave me be?  
It's obvious nobody really seems to care  
The pain's way too much to bear  
Now I'm pleading....

(Chorus)

Please help me... Oh oh, oh oh  
Please help me... Oh oh, oh oh

You're so selfish  
Don't think I can stand it  
Got me feelin' so helpless  
Can't somebody just help me?  
To die is too scary  
The consequence is too heavy  
Just like this burden I carry  
I wish that you would just let me live  
But you kill myself daily (kill myself daily)  
Yeah, you heard me  
I hope to get some help someday  
Don't want to be a quitter  
You always take my pictures  
And you post them all to twitter  
Don't treat me like a kid but kitty litter  
Can someone please help me now?  
Feelin' like the weight of three-thousand pounds  
Is resting on my shoulder  
Got me screaming loud  
Words flying like bullets  
Cannot take more rounds  
This place is getting colder  
It used to be a nightmare  
Now this nightmare is reality  
If I'm not guilty of this charge  
Then why are you mistreating me?  
Every time I go online  
I get attacked  
I just wish someone would have my back.

This is crazy  
I did nothing wrong  
But you tell me  
I do not belong  
Slowly dying  
Trying to be strong  
I'm sinking and I can't hold on  
To life  
I used to think it was a dream  
But now it starts to fade away  
Tried to stitch back the seams  
But things will never be the same  
I don't know what is the truth  
Your words, they could be lies  
So unclear I cannot see  
Can someone please.....

(Chorus)

Please help me... Oh oh, oh oh  
Please help me... Oh oh, oh oh  
Please help me... Oh oh, oh oh  
Please help me... Oh oh, oh oh
