

# Fun Times!

A project of PACER Center

## Are you ready for some fun?

PACER's **Fun Times** is a social program that connects teens and young adults with and without disabilities. The program, developed at the request of a Breck High School student in collaboration with PACER Center, began in 2004 and has brought teens and young adults together for friendship and fun to game nights, sporting events, bowling, theater, and more. We have events scheduled during the school year and we are seeking students ages 13 to 20 to participate in Fun Times events!
